WELCOME TO THE NOVEMBER

FLOURISH FIVE

Gratitude for Tables

What a beautiful evening we shared together at Tables! It was a meaningful evening of fellowship, and intentionality. We were blessed to hear from guest speaker Meredith King on the topic of friendship in every season of our lives and the reminder that Jesus calls us friend! We hope you were encouraged by our time together and met a new friend. Whether you were able to attend the event or not we want to challenge you / remind you of your challenge to reach out to someone. This is your nudge to sow a seed of friendship!

Special thanks to our Tables planning team and all those who helped with decorating, registration, and food and drink preparation! Events like this could not happen without a team of women using their unique gifts to bless others.

We look forward to more evenings together around the table at this annual event.
