OVERVIEW

One of FBC Bryan's goals is to equip our people to live a life of worship (Colossians 3:16, Romans 12:1-2). Whether in the church gathering, at work, or at home, abiding with God and ascribing worth to Him with our lives is an incredible privilege and a life-giving command that we want to encourage at every opportunity. The FBC Bryan Worship Arts Ministry seeks to enhance that relationship by giving our people an opportunity to worship the Lord corporately through song, as one unified body.

TEAM COMMITMENT

We want every aspect of our worship services to point to the magnificence of Jesus and to do so with excellence. In order to do this most effectively, there is a level of preparation and planning that goes into every one of our worship services. Due to this, there is a certain level of commitment that is required of the Contemporary Worship Choir. This commitment can take on many forms. Here are a few practical areas where this level of commitment is most evident:

- **Be on time.** Everyone's time is valuable. It's important that everyone strives for punctuality when it comes to rehearsals so that we can use our limited time together as efficiently as possible.
- **Be prepared.** Rehearsals run infinitely more smooth when everyone involved comes prepared. This means coming with all parts learned and rehearsed, instruments ready for rehearsal (guitars stringed, tuned, pedals configured and dialed in), charts printed out, etc.
- **Be encouraging.** I think Colossians 3:16 sums it well here. We want to edify one another during our time together so any criticism should be offered constructively and in a way that is private, measured and kind.
- **Dress appropriately.** We have no official dress code but we do ask that all Team Members exercise thought and care into how they present themselves from the platform. We want all eyes to go to Jesus during our times together so we want to dress in a way that doesn't draw those eyes to ourselves.
- **Be flexible.** Worship Services are fluid organisms with many contributors and moving parts. Strive to stay servant-minded and servant-hearted when changes to songs, personnel, etc. happen and as we are all striving to make much of Christ together.

Here is a typical schedule for a CWC Member (every 6 Weeks):
