

# THE flourish FIVE

## ***RISE UP AND SERVE***

As we begin a new ministry year, we encourage you to find your place of service at First Baptist Bryan. See the various ministry needs across all ministries and fill out the form to learn more. The Body of Christ depends on each member actively exercising their purpose and we would love to help you find yours. Look for the banners in the atrium or view the interest form online: <https://fbcbryan.org/event/rise-up-and-serve/>

## ***BIBLE STUDY***

We are thrilled to give you the chance to come together with other ladies to delve into Scripture this fall. There will be a number of Bible studies offered during the week and at the Midweek timeframe in an effort to work with many different schedules. The full details and schedule will be available by Sunday, August 20th at the Ministry Fair and on the website.

## ***MINISTRY FAIR***

Wondering what all goes on at FBC or have a place you desire to plug in? We're hosting a Ministry Fair in the atrium on **Sunday, August 20** where you can learn about our diverse array of initiatives, groups, and outreach opportunities.
