Garage Sale is coming up soon! Everyone who is planning to work the sale either as an adult or a youth please make plans to attend the **Worker Meeting on SUNDAY MAY 19th at 12:15pm in Matt's House**

You will have all of your questions answered as well as fill out essential paperwork!

Whether this is your first time working Garage Sale or you are a multi-year veteran this meeting is for you! Garage Sale is ever changing and improving so the information is a little different each year.
Plus you earn 1 hour of Garage Sale credit just for attending the meeting!

Although I highly encourage attending the meeting in person there will also be a Zoom link to watch the meeting live or a recording if necessary. Be on the look out for that link soon.

BIG CHANGES to Youth Camp this year! We will be heading to the mountains of New Mexico in mid June.

We will be going to Dwell Camp in Gloria, NM. This is a different experience and we are looking forward to seeing God move! Register below.

Make sure that Garage Sale 2024 is on your calendar!

Garage Sale is our 1st and only fundraiser and working this week to its max potential provides funds that can be used to pay for most if not all 1stBY events your student signs up for!

The MANDATORY meeting on May 19th will have tons of information but until then I've linked a few helpful documents below for those who may be new to Garage Sale.

We need to know who plans to work Garage Sale! This is especially essential for our adult volunteers since they have to clear Background Checks & Ministry Safe training every 2 years. We also need to make sure we have enough t-shirts for everyone so if you know you will be working any part of Garage Sale please sign up now!

Adults who can work the sale are 18+, usually related to members of the Youth Ministry, or church members wishing to volunteer their time on behalf of a youth/youth family specifically or the Youth Ministry in general.

Please note that students MUST HAVE COMPLETED 7th GRADE in order to participate in Garage Sale. (Parents of 6th graders [rising 7th graders] may participate.)

This is our work schedule for the week of Garage Sale. You don't have to sign up for specific shifts it is a come as you are available as much as you are available thing!

As part of Senior Sunday we put together a special bulletin honoring our graduates. Seniors, please fill out the survey linked below ASAP so we can recognize you on this special day!

Also be on the look out for information about a video we will be recording for that Sunday as well! Closer to May we will be sending out a link to RSVP to the reception honoring seniors the afternoon of May 28th.

For those of you who already have a garage 1/2 full of items you want to donate to Garage Sale I have opened up the Pick-Up Request Form early this year.

Please keep in mind that to qualify for a pick-up your items need to be to large or too numerous for you to transport them yourselves.

Pick ups will happen June 3rd-8th

Thursday the 6th the runs are for furniture ONLY!
Furniture can of course be sent any of the other days as well.
We just can't accept non-furniture items on Thursday.

YOU CAN ONLY USE GARAGE SALE 2023 FUNDS UNTIL MAY 1ST!

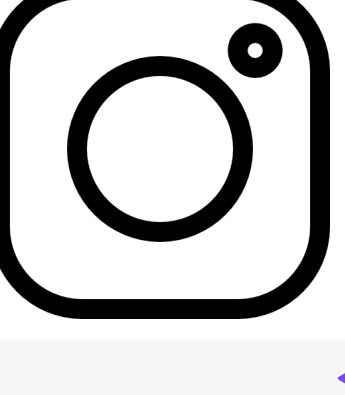

Which means if you are planning to use it you need to sign up for Spring/Summer events by May 1st. If you have any questions never hesitate to reach out!
