

Dear Classics,

“April showers bring May flowers” is a phrase that originated in the United Kingdom. The entire phrase is, “March winds and April showers bring May flowers and June bugs. Winter is turning into spring (not a big deal in southeast Texas), flowers are beginning to bloom, trees are beginning to show new leaves, and yards are becoming greener. This is a season of celebration, the old of winter is giving over to the newness of spring. Psalm 19:1 says, “The heavens declare the glory of God; the skies proclaim the work of his hands.” This is a picture of what God does for us as we profess faith in Christ and obediently follow Him by being diligent in His Word and in prayer. He challenges our conformity to this world and transforms us by renewing our minds to be one with Him. God has placed each one of us here to use us for His redemptive plan for mankind. Our Church is growing at a record pace. This is not just people moving from one church to another, but a spiritual awakening that is occurring in our community. With our worship center renovation and a new Sunday morning format in the fall, we are positioning ourselves to better serve the people that God is bringing to us. God has given us a great opportunity to reach the lost in Bryan/College Station. Pray for divine appointments to share the good news of what Christ offers, an abundant life here on earth and life everlasting. Tell all you meet about the great things happening at FBC Bryan. Let’s celebrate the coming of spring by reading Psalm 57:7-11, “My heart is confident, God, my heart is confident. I will sing; I will sing praises. Wake up, my soul! Wake up, harp and lyre! I will wake up the dawn. I will praise you, Lord, among the peoples; I will sing praises to you among the nations. For your faithful love is as high as the heavens; your faithfulness reaches the clouds. God, be exalted above the heavens; let your glory be over the whole earth.

See you Sunday!

David
