June 2nd - 8th  
Make sure that Garage Sale 2024 is on your calendar!

Garage Sale is our 1 and only fundraiser and working this week to its maximum provides funds that can be used to pay for most if not all 1BY events your student signs up for!

The MANDATORY meeting on May 15th will have tons of information but until then I've linked a few helpful documents below for those who may be new to Garage Sale.

We need to know who plans to work Garage Sale! This is especially essential for our adult volunteers since they have to clear Background Checks & Ministry Safe training every 2 years. We also need to make sure we have enough t-shirts for everyone so if you know you will be working any part of Garage Sale please sign up now!

Adults who can work the sale are 18+. Usually related to members of the Youth Ministry, or church members wishing to volunteer their time on behalf of a youth/youth family specifically or the Youth Ministry in general.

Please note that students MUST have COMPLETED 7th GRADE in order to participate in Garage Sale. (Parents of 6th graders LIVING 7th GRADE) may participate.)

[Youth Worker Sign Up](#)

This is our work schedule for the week of Garage Sale. You don't have to sign up for specific shifts it is a come as you are available as much as you are available thing!
