

WELCOME TO THE MARCH FLOURISH FIVE

Women's GroupLife Classes

At First Baptist Bryan we encourage you to Gather in Worship, Grow in GroupLife, and Go on Mission! Step 2 of that is such a crucial element to growing in your walk with Christ and in being known by a community of believers. If you've been waiting to take a step out of the crowd and join a GroupLife class, but were unsure of which one to choose we would love to recommend one of our Women specific classes that meet on Sunday mornings.

Check the list below and try one out soon!

(Age ranges provided are for who currently attends the class, but any woman 18+ is welcome in any of the classes!)

Prayer Prompts

If you haven't download the Lectio 365 app, we wanted to again encourage you to take advantage of this prayer tool.

Pray for your neighbor. Whether you know them or not, pray for their lives, their health, their relationships, and anything else God puts on your heart.

Pray for the global Church! During this Lenten season we pray for boldness to share and tender hearts to receive the Gospel here in our community, our country, and to the ends of the earth.

Connection Event

Join us for a Prayer Walk for the Easter season at our church. We will pray for those that will hear the Gospel for the first time and for God to be glorified! There will be prayer prompt sheets provided and we will have a non-walking option for those who may need it.
