## Prayer Prompts

Pray for Teachers, Administrators, School Staff, Homeschool Families, and Students as they all prepare for and head back to school this month.

Pray for the launch of our Mentorship Ministry. That the Lord would lead women in boldness to step up and serve as mentors and that women would humbly seek mentorship. Pray for what your role may be in one of those areas! Seek how the Lord may be calling you.

Pray with a heart of gratitude. As we prepare to start a new school year (no matter your stage of life our town operates on a school calendar) thank God for all that He has done in and around you so far this year. Thank Him for things big and small. Get your eyes up off of your current circumstances and give glory to the only one worthy of it! Praise His holy name!

## Connection Event

Women of all ages and life stages are invited to join us for our Women's Tea. We will enjoy traditional tea party fare, time to connect with one another, and a short program featuring Tami Glasco, director of Hope Gathering.
