

WELCOME TO THE OCTOBER FLOURISH FIVE

Mahjong Mini-Mester

Starting late October, we are having a "Mahjong Mini-Mester" for the purpose of equipping you to go out and gather people around your own tables.

For the 7 weeks between **Oct. 26-December 7th, from 6:00-8:00pm** we will gather in The Commons for a time of fun play and looking at some of the essential components for building healthy community. Each week we will share ways you can welcome in others, help them feel seen, heard and valued, and keep the main thing the main thing!

Our prayer is at the end of the mini-mester, you feel equipped to invite others around your table and use this game as a way to open up spiritual conversations and develop relationships with others.

Community Prompt

Community is most often found in the mundane: the small gestures, the moments shared, the knowing and being known. Find ways this month to be present in the daily life of others; let others into your days as well. Experience the comfort of community.

Connection Event

TABLES

We are thrilled to announce the return of a favorite Women's Ministry event in its new form. Tables will continue with the same heart for bringing women together for a night of fun, food, and faith as God's Gals just with a new name and a renewed focus. This year's event will feature guest speaker Meredith King, door prizes, a delicious meal, and a few fun surprises.
